3. The President of the A.P. Beedi Leaves Association has represented that, they made out a case for grant of 50% remission in the royalty component for the Beedi leaf collected over and above the notified target and request was made to arrange for issue of orders so that, the benefit accrues to the labourers as well as the purchasers who had taken the initiative to collect more leaf. Their request was essentially aimed as an incentive to the purchasers without causing any inconvenience or financial liability to the Govt. For the reasons stated in the representation, the President of the Association has requested for issued of orders for grant of 50% remission of the Royalty component from 2008 Beedi Leaf season.

However, after detailed examination and analysis of the concession extended to the Beedi Leaves Contractors, the same facility was withdrawn from 2007 Beedi Leaves season based on the recommendations of the Department.
